

Upper Arlington Civic Association 2009 Fourth of July Celebration

UA... There's No Place Like Home

April, 2009

Dear Band Director,

Once again, it's time to start preparing for the Upper Arlington Fourth of July Parade. This year's theme is "**UA...There's No Place Like Home**". We truly believe that bands are the lifeblood of a great parade. Nothing can stir a crowd like the sights and sounds of a marching band.

The parade will begin at Kingsdale shopping center on **Saturday, July 4**, at 9:00 a.m. The 1.8-mile route travels along a tree-lined street and will be viewed by tens of thousands of very supportive spectators. If you've marched in the parade before, you know what fun it is. If this is your first time, you'll never forget it.

Bands that wish to participate in the 2009 parade must complete the attached application and fax, or mail, to the address indicated on the application. Also attached are the Parade Rules and Regulations that must be followed by all participants.

We understand that bands make a financial investment when they march in a parade and we want to help. Please see the following outline:

Bands with 50 people or less participating in the parade- \$400.00,
Bands with 51-75 people participating in the parade- \$750.00,
Bands with 76-150 people participating in the parade- \$1000.00,
Bands with more than 150 people participating in the parade- \$1500.00.

This count includes all musicians, as well as associated band performers.

Please let us know if you have any question or require additional information. Also, please feel free to direct this information to others that may be interested in participating in the parade. Parade application and information can also be found at www.uaca.org. We appreciate your interest and look forward to having you help make this year's parade a great success.
Sincerely,

Jeff and Becky Scholl
